Primary School

11 May 2021

Dear Parents & Carers

We are delighted to inform you that as part of our Biological Sciences studies this semester, we have secured approval to hatch chickens at school for our year 2 cohort (this includes the year 1s in Room 3 and year 3s in Room 11).

Fertilised eggs will be delivered on Monday 17 May 2021, and should begin hatching within a few days. The incubator and brooder will be housed in Room 1 for two weeks, and all students in rooms 1, 2, 3 and 11 will have daily access to observe the hatching and growth. Time lapse video will also be recorded.

The hatched chickens will remain at school until Friday 28 May 2021, after which they will be returned to the provider, Living Eggs WA, where they will be re-homed to the Little Chicken Farm in Ashby.

The cost of this incursion will be \$3.00 per student. Please return completed, signed permission slips by Friday 14 May 2021.

If you have any questions or concerns, or need to advise us of bird allergies, please contact your classroom teacher.

Thanks and regards
