

TERM 3

WEEK 3

5 AUGUST 2022

Kaya Wanjoo>Hello and welcome to this fortnight's edition of the school newsletter.

SCHOOL DRESS CODE

We have attached a copy of the school dress code to this edition of the newsletter to remind everyone of the requirements in terms of students' dress at school. We have had a variety of jumpers/jackets and some students wearing shorts or pants other than what is outlined in the dress code. A reminder also that sports shorts for girls need to be worn under a skirt as per the dress code.

CROSSWALK UPDATE

We are still awaiting the installation of the required safety bollards and signage for the new crosswalk before it can be made operational. This work is carried out by main roads and is dependent on weather, so it should occur in the next week or so. In the meantime I ask parents to speak to their children about being safe when crossing Howick Street and avoiding stepping out from between vehicles.

BE SAFE

I remind everyone to be safe moving around the school as we experience wet weather. The verandahs and paved areas can at times be slippery when wet so a little extra caution is required in these areas.

RAPID ANTIGEN TESTS

We still have saliva based tests from our first shipment of RATs that are available for collection should you need more. Please come to the School Office if you would like more. Our next delivery of RATs is yet to arrive.

MOBILE PHONES AND SMART WATCHES

A reminder that mobile phones should be switched off and handed in to the office when brought to school. Mobile phones must not be switched on during the school day. Likewise, smart watches should be placed in aeroplane mode when students arrive at school and not switched back over until the end of the school day.

Have a wonderful and safe fortnight everyone!

Rick Walters

SCHOOL DRESS CODE POLICY

DRESS CODE

Lathlain Primary School has a student dress code in place which has been developed following consultation with parents, teachers and students. This code is strongly supported by the Lathlain Primary School P&C and developed through the School Council.

RATIONALE

The Lathlain School Community believes the school dress code:

- Fosters and enhances the public image of the school.
- Assists in building school tone and team spirit.
- Ensures students are safely dressed for specific school activities.
- Encourages equity amongst students; and
- Prepares students for work, as many places have dress and safety codes.

DRESS CODE COMMITMENT

Parents and students will be asked for a commitment to the school dress code to ensure that the student wears the uniform every day.

Where special circumstances arise and the student cannot wear the uniform, parents should contact the school to discuss the situation.

DRESS CODE REQUIREMENTS

School colours are royal blue and white.

Daily Wear

Blue school shirt
Blue school zip jacket
Blue cargo shorts or long pants
Blue track suit pants
Blue pleated school skirt
Skort
School dress
Reversible blue school hat
Leavers' shirt (Year 6 only)

Sports Days

Faction colour polo shirt or school polo shirt
Blue sports shorts
Blue track suit pants
Reversible blue school hat

Other:

Joggers that are securely laced or fastened.
No thongs, slip-ons, high heeled wear, crocs or ugg boots.
Winter tights/leggings need to be black.
Sports pants need to be worn under skirts.
Hair tied back if it is shoulder length or longer.
Clips, bands and bows to be school colours.
No make-up, nail polish, jewellery
(except for watches, ear studs or sleepers)

GENERAL INFORMATION

The Lathlain Primary School P&C operates a uniform shop at the school and uniforms are reasonably priced.

Parents are able to place orders at the uniform shop or in the P&C Box in the school office.

Where there are financial difficulties regarding purchasing a uniform, parents are asked to contact the school to discuss the situation.

If there is a need to modify the uniform for health, religious or other reasons, parents are asked to make contact with the School Principal. Staff will be informed of any approved variation to the existing uniform for a particular student.

Note: Enrolments for October programs close on 21 August 2022.

The summer locations and program enrolments will open at a later date.

YEAR 6 CAMP

If I asked everyone in my year if they would want to go back to camp even for a day, they would all say yes. Camp was one of the most amazing things that ever happened to me. I know I will treasure camp for ever. The activities rock-climbing, zipline, low ropes, bush walks and roasting marshmallows were some of the activities we did and they were just fabulous. We even saw kangaroos; one even came inside and tipped the rubbish bin over! Sadly, we didn't see any other animals but birds. I know the year 5 will love camp next year, if it's in Summer, Winter, Spring or Autumn they will love the activities. Just make sure you don't stay up to late on the first night and make the teachers grumpy!

Roya B

Can you imagine being surrounded by the beauties of nature, tall trees and wildlife all the while exploring and doing a whole range of entertaining, uplifting, and energising activities? Well, that's what it's like at Nanga Bush Camp. A world away from screens, Nanga ensures that we spend plenty of days out in nature, bushwalking, exploring, and having fun with friends on adventurous activities. Although, make sure you listen to your teachers and don't wake them up on any night of camp, if you don't want to get in trouble or earn an embarrassing nickname. (Don't worry, this will all make sense on camp.)

Ana C

Camp was really fun this year! If I could rate it out of ten, I would do a ten always. I will always remember this camp and keep it in my memory for as long as I can. Some of the really fun things we did included zip-lining, rock-climbing, low ropes, the trivia night and many more amazing things. We also had a kangaroo come in twice and knocked over the bins. One of the kangaroos, they had to lead out with an apple. It was an amazing journey and wished I could come back again soon.

NEWS FROM THE P&C

We're well into term 3!

Term 3 is always a big term so we will be putting a call out for help for a number of events and activities. If you have any time and can volunteer that would be fantastic.

New Canteen Convenor:

We welcome Wendy Harrison as our new Canteen Convenor! Wendy has been on the canteen committee and regularly helps in the canteen, so we are really excited she has taken on the role.

Father's Day Stall – call for school businesses:

Does your child have an existing business producing gift items?

Contact Fiona fi.henderson@gmail.com to supply a sample for consideration. Successful items will be taken on consignment.

Self-portrait tea towels:

Thank you for your overwhelming support on this new fundraiser – we're glad you find them as cute as we do! Orders have been placed this week. They will be distributed via the classrooms when they arrive.

A limited number of extras were ordered – contact ameliadegroot@lathlainps.org.au ASAP if you missed out.

Thermomix Raffle – seeking sponsors:

We are still seeking sponsors from local or family businesses to enable this raffle to go ahead!

We are looking for contributions of \$250 or \$500. In return we will feature your business:

- on raffle tickets
- on a promotional flyer in 450+ school bags
- on Lathlain Primary School P&C Facebook page
- in the school newsletter

Please contact ameliadegroot@lathlainps.org.au to register your interest.

Dates for your Diary:

Please put the following dates in your diary – we're going to need your help on these days! Sign up rosters will be shared in coming weeks.

- 1 Sept – School Sport Carnival BBQ lunch
- 16 Sept – School Disco (after school)
- 28 October – Colour Run

Thank you for support!

NEWS FROM THE CANTEEN

I hope everyone has settled into Term 3. This week we start off our volunteer call out with each Year group allocated certain dates. Of course if you aren't available on those dates, we will most definitely welcome you on any other date you can spare. How the Birds Got their Colours

Room 12 have been learning about Dreamtime stories. We have read Dreamtime stories, written our own Dreamtime story and finally we re-told a Dreamtime story at assembly with Room 14. We presented for our family and friends the Dreamtime story "How the Birds Got Their Colours".

In a world where "all the birds were black – all one colour" a dove becomes injured while looking for food. Many of its bird friends try to help and it is the parrot whose beak bursts the dove's swollen foot that releases splashes of colour all over the birds. This created birds with all kinds of colours and patterns. This is how the birds got their colours.

Fun with Math

Room 12 love playing Math games and this week we have learnt a new Maths warm up game called **Multiplication War**. This game is a fun way to practice our mental math times tables in a fun and engaging way.

HOW TO PLAY:

You'll need one deck of cards per person, with all the face cards taken out. To make the game more challenging, you can also remove the 1's (aces) and 2's as well. Players turn over the top card on their deck and the first person to multiply the numbers shown and say the product out loud (not too loud though) is the winner and keeps both cards. If there is a tie, cards go back to each player.

OUR CHALLENGE TO YOU!

Room 12 challenges you to play at home, see if you can beat your parents and friends.
