

SCHOOL DRESS CODE POLICY

DRESS CODE

Lathlain Primary School has a student dress code in place which has been developed following consultation with parents, teachers and students. This code is strongly supported by the Lathlain Primary School P&C and developed through the School Council.

RATIONALE

The Lathlain School Community believes the school dress code:

1. Fosters and enhances the public image of the school.
2. Assists in building school tone and team spirit.
3. Ensures students are safely dressed for specific school activities.
4. Encourages equity amongst students; and
5. Prepares students for work, as many places have dress and safety codes.

DRESS CODE COMMITMENT

Parents and students will be asked for a commitment to the school dress code to ensure that the student wears the uniform every day.

Where special circumstances arise and the student cannot wear the uniform, parents should contact the school to discuss the situation.
