FROM THE PRINCIPAL

Kaya / Welcome to the latest edition of School News. With the weather starting to change we can start to expect the warmer days of Djilba to really take hold.

FACTION CARNIVAL

With our faction carnival being held tomorrow we would love to have support from parents with the pack-up at the end of the day. This should take no more than 10 - 15 minutes. Thank you in anticipation of your support with this. We do need to make certain that we leave the oval in pristine condition at the end of the day.

Areas will be set aside for parents to sit during the day. We ask that parents do not go directly to the faction bays, particularly as events are happening.

We know everyone is super excited for the day as are we. Let's make sure the day is a great one for the students in the spirit of a primary school carnival.

CLASSROOM VISITS

I have had the pleasure of visiting the pre-primary classrooms over the past week. It has been great to see the consistency happening across the classrooms, and also the wonderful learning that the students are doing in Literacy and Mathematics.

I hope that parents get to see the products of this learning during the open classrooms on the night of the

EduDance concert.

BEFORE AND AFTER SCHOOL

Please be aware of signage when parking around the school before and after school. I have had complaints from parents that people are parking in the cul-de-sac at the end of Waller Street. This is a kiss and drop area and should not be used for parking as it makes the area unsafe for all.

Please also be aware that we have had reports that there have been students playing hide and seek amongst the cars on Keyes Street after school. We don't want someone to get hurt so please speak to your children if they are doing this.

Can we also remind parents that children should not be on playground equipment before and after school. We have recently had some students climbing the school fence to come back in after school from the senior oval.

FATHER'S DAY

Can I wish all the Dads, grandfathers and other significant males in our children's lives, a very Happy Fathers' Day. Know how important you are to your children and the significant role you play in their lives. Have a wonderful day on Sunday and soak in all the love that comes your way.

887

days off for HOLIDAYS during school time.

SEMESTER TWO

So far during Semester Two Lathlain students have taken

290

days off for HOLIDAYS during the first 3.5 weeks of Term 3.

TERM 3 (SO FAR)

Semester one data is equivalent to more than the TOTAL NUMBER of students enrolled

Semester Two data is already on track to exceeding this total.

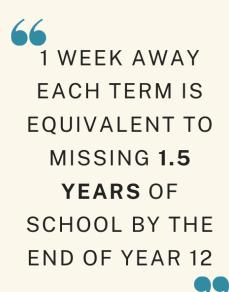

STRATEGIES FOR ENCOURAGING ATTENDANCE:

Establish a Routine: Consistency can be a powerful tool. By setting a regular routine, you can help your child adjust to school days and build a positive attitude toward learning.

Stay Engaged: Keeping informed about your child's education enables meaningful conversations and promotes regular attendance.

Work Together: Open communication strengthens the partnership between home and school.

Celebrate Milestones: Acknowledging your child's achievements, whether in academics, attendance or other areas.

COMMUNITCATION BETWEEN HOME AND SCHOOL

Regarding your child's absence

1. Get in touch with the school

A parent or guardian needs to inform the school of the reason for a student's absence for each day of their absence. This should be done as soon as possible or within three school days.

2. Forgot to let the school know?

Every absence is followed up through text message. Simply reply to the text to let us know.

3. Still haven't got back to us with a reason?

We will follow up through an additional SMS alert or phone call. Having information about why your child is absent helps us to plan for their return to school. Every day of absence must have a reason.

Students then used the model text to create their very own procedure on "How to Make a Sandwich." They took great care to neatly write and decorate their writing pieces to be displayed in the classroom.

As a result of this unit, the class began practising their scripts for our adaptation "How to Put Your Pet Unicorn to Bed." Students had lots of fun practising and preparing for our assembly.
