

FROM THE PRINCIPAL

Welcome to the first edition of our school newsletter for Term 4.

2024 Class Placement Requests

Parents may now email class placement requests for the 2024 school year as per our Class Placement Policy on the school website. Please note the school will consider all requests that meet the policy rules. Requests close Friday 3 November 2023. Email: principal.lathlain.ps@education.wa.edu.au

In-Term Swimming Lessons

Swimming lessons are currently planned to take place over two blocks. Block One commences Monday 23 October and concludes Friday 3 November. We are currently waiting on confirmation for Block Two which is scheduled to begin Monday 6 November and conclude on Friday 17 November. We anticipate confirmation next week. Students will receive their notes relevant to the block their class has been assigned to.

2023 Swimming Carnival Change of Date

Unfortunately the date booked for this year's swimming carnival clashes with our second block of swimming lessons, which were allocated after the carnival booking was made. I am pleased to be able to say a suitable alternative date has now been secured. The Swimming Carnival will now be held at Belmont Oasis on Thursday 23 November.

School Development Day (Pupil Free)

A reminder that our Term 4 School Development Day,

which is a day students do not attend, is scheduled for Monday 20 November. Staff will be offsite on this day undertaking professional learning.

SeeSaw Messaging

We will now be aiming to organise the bulk of our school Seesaw messages to go out on a Tuesday and Thursday each week following feedback from parents. Urgent messages or excursion notifications may be sent out alternative to these regular messages.

Additionally we will be creating an Excursion / Incursion only stream. This will be used to send out messages regarding excursions and incursions in the future. This is to make it easier for parents to find permission forms and payment details links.

EDU-Dance Concert and Open Night

Our annual EDU-Dance concert and open classrooms was an extremely well attended event again this year. Feedback received from those attending was overwhelmingly positive about both the concert and the open classrooms. I wanted to congratulate the students and staff for their efforts with both of these.

2024 Voluntary Contributions and Charges Schedule

The 2024 Voluntary Contributions and Charges Schedule is now available on the school website. This gives the indicative costs for the 2024 school year for each year level.

Have a wonderful fortnight everyone!

Rick Walters

Edu Dance Concert & Open Night:

Room 11 has been playing

NUMERO

Thank you to Room 12 for inspiring us to learn this game!

Numero is a fun game to play to develop mathematical skills, including basic number recognition, basic number facts, speed of recall, combining operations and problem-solving.

"I like that you have to think fast about mental maths" Luke

"I like that we can use different operations to play the game – I love maths!" Makaylee
